Candidates Roll Number

--	--	--	--	--	--

Roll No. (in words.....)

.....(Signature of Candidate)

I have checked the entries made above and in the OMR Sheet by the candidate.

.....(Signature of Invigilator)

Time allowed :1 Hour 30 Minutes

Total Questions: 90

Maximum Marks: 90

IMPORTANT INSTRUCTIONS FOR THE CANDIDATES

KINDLY READ THE FOLLOWING INSTRUCTIONS BEFORE ATTEMPTING QUESTION PAPER

1. Attempt all the questions. Each question is of one (01) mark.
2. There is no negative marking.
3. Before attempting the question paper kindly check that this booklet has a total of 90 questions. At the start of the examination and within first five minutes, the candidates are advised to ensure that all pages of test booklet and the OMR answer sheet are properly printed and test booklet is not damaged in any manner. In case of any discrepancy, the candidate should immediately report the matter to the Invigilator for replacement of test booklet and OMR Answer sheet. No claim in this regard will be entertained after five minutes of start of examination.
4. All the candidates must return the test booklet as well as answer-sheet to the invigilator concerned before leaving the Examination Hall. If any candidate leaves the Examination Hall without handing over the test booklet/answer sheet to the invigilator, a case of use of unfair means/misbehaviour will be registered against him/her in addition to lodging an FIR with the Police. The answer-sheet of such a candidate will not be evaluated.
5. Do not forget to write roll number on the top of this question booklet and OMR answer sheet.
6. The OMR based Answer Sheet has two copies. The examinee can retain the second copy of the OMR based answer sheet and take that back along with him/her after the examination is over.
7. Do not tear or fold any page of the question booklet and OMR Answer Sheet.
8. Candidates are advised to make sure to fill their name, Roll No. and test booklet code on the OMR Answer sheet in a correct manner only on the space provided. If the space for the Booklet Code is left blank or more than one booklet code is indicated therein or the Filling of Name and Roll No. is not as per instructions mentioned then it will be deemed to be an incorrect booklet code and Answer Sheet will not be evaluated.
9. Candidate should put his/her signature and thumb impression on required space in the presence of Invigilator in the Examination Hall.
10. Candidates are warned not to fold or make any stray marks on the OMR Answer Sheet. Use of Eraser, Nail Blade, White Fluid/Whitener etc. to smudge, scratch or damage the OMR sheet in any manner during Examination is strictly prohibited. The Candidature of candidates indulging in such activities shall be cancelled.
11. Candidate's request to change the Examination Centre and seat in the Examination Hall shall not be entertained.
12. No candidate shall be allowed to leave the OMR Answer Sheet blank. If any OMR Answer Sheet is found blank, it shall be crossed by the Invigilator with his/her signature and mention 'Cancelled' on it.
13. The OMR Answer Sheet will be evaluated through electronic scanning process. Incomplete or incorrect entries may render your OMR Answer Sheet invalid.
14. Each question has four alternative answers of which only one is correct. For each question, darken only one circle, whichever you think is the correct answer on the OMR Answer Sheet with only Blue/Black Ball Pen provided. Pencil should not be used for darkening the circle. If more than one circle is found darkened, that answer will not be evaluated.
15. If a candidate does not comply with the instructions as mentioned above or creates any kind of indiscipline, the authorities shall take action as per instructions and in addition can also debar the Candidate from appearing in the Examination, to be held in future and can also file criminal proceedings.

DO NOT OPEN THE SEAL UNTIL INSTRUCTED TO DO SO

CORRECT METHOD OF ATTEMPTING

WRONG METHOD OF ATTEMPTING

1. The average of five consecutive odd numbers is 41. Which one out of those is the largest number?
A. 47 B. 45 C. 43 D. 49
2. What will come in place of both the question marks (?) in the following question?
 $23/? = ?/92$
A. 56 B. 54 C. 44 D. 46
3. Enzymes are made up of which of the following:
A. Carbohydrates B. Edible proteins
C. Nitrogen containing carbohydrates D. Proteins with specific structure.
4. Most of the sources of energy that we use, represent the stored Solar Energy. Which of the following is not ultimately derived from the Sun's energy
A. Geothermal energy B. Wind energy C. Nuclear energy D. Biomass
