The Ministry of Youth Affairs & Sports, in alignment with the national vision of Viksit Bharat, has reimagined the National Youth Festival as the Viksit Bharat Young Leaders Dialogue (VBYLD) – a transformative platform held during National Youth Week to foster youth leadership and nation building.

The inaugural edition in 2024-25 saw unprecedented participation, with nearly 30 lakh youth participating through the Viksit Bharat Challenge, with over 2 lakh essay submissions and 9,000+ competing in State Championships. The national culmination at Bharat Mandapam brought together 3,000 young changemakers, representing youth from diverse fields and was more impactful with the presence of the Hon'ble Prime Minister Shri Narendra Modi, who spent nearly six hours in dialogue with the youth, listening to their ideas, vision and perspectives to achieve Viksit Bharat.

Building on the massive success of the First Edition, the Quiz Round of the Second Edition of VBYLD was launched on 13th September 2025 through the MY Bharat and MyGov portals. This round will serve as the initial gateway for participants to showcase their knowledge and enthusiasm, while also creating an engaging start to the overall competition.

I am writing to you for your kind support in ensuring that the VBYLD initiative receives maximum outreach across your State/UT. Therefore, I request you to encourage all State/UT-level Universities and affiliated colleges to display VBYLD Quiz Banners, Hoardings, and Posters prominently on their campuses to disseminate information and ensure maximum participation by youth in the age group of 15-29 years. This will serve as the first step in providing young people with the opportunity to present their ideas directly before Hon'ble PM.

Your proactive involvement will play a pivotal role in inspiring youth from every district to join this national movement and present their ideas for nation-building directly to the Hon'ble Prime Minister. I look forward to your support in making this initiative a resounding success and empowering the youth of India to contribute meaningfully to the vision of a Viksit Bharat.

With regards,

Yours sincerely,

**Concept Note for conduct of
Viksit Bharat Young Leaders Dialogue (VBYLD), 2026**

1. National Youth Festival (NYF): Viksit Bharat Young Leaders Dialogue (VBYLD), 2026 – An Introduction

1.1 The Ministry of Youth Affairs and Sports, Government of India commemorates the birth anniversary of Swami Vivekananda, celebrated on January 12th, as National Youth Day, honoring one of India's greatest philosophers, thinkers, and an inspiring patron of youth. In alignment with this significant day, the week beginning January 12th is observed as National Youth Week, marking a time of celebration, unity, and empowerment of young people across the nation.

1.2 Since 1995, the Ministry has organized the National Youth Festival as a flagship event during this week, originally conceptualized under the National Integration Camp (NIC) program. The festival serves as a vibrant platform to bring together youth from diverse cultural and social backgrounds, fostering national integration, communal harmony, brotherhood, and a spirit of adventure. This celebration encourages youth participation at the state and district levels, promoting a shared vision of unity and collective progress.

1.3 In the year 2025, the National Youth Festival was restructured as the Viksit Bharat Young Leaders Dialogue (VBYLD) to align with the Hon'ble Prime Minister's vision of engaging youth in the mission of Viksit Bharat @2047. The VBYLD-2025, held at Bharat Mandapam, New Delhi, drew participation from over 28 lakh youth nationwide, with around 2,500 dynamic young leaders selected through a rigorous merit-based process. The event emphasized leadership, innovation, civic participation and cultural exchange—positioning youth as key drivers of India's development.

1.4 Building on this transformation, VBYLD-2026 will continue as a national platform for engaging young minds (aged 15–29) across five major tracks:

1.4.1 The Cultural and Innovation Track will celebrate India's traditional art forms while fostering interest in science and technology through the Science Mela, encouraging youth to creatively connect with both heritage and innovation.

1.4.2 The Viksit Bharat Challenge Track will provide space for young participants to ideate and present actionable solutions to national challenges across themes such as governance, education, energy, climate and digital inclusion.

1.4.3 The Design for Bharat Track aims to foster design thinking among youth by engaging them in a multi-tiered challenge to develop innovative, practical solutions for real-world developmental challenges.

1.4.4 The Hack for a Social Cause Track will mobilize young innovators to build scalable, technology-based solutions addressing pressing social issues, culminating in a national-level hackathon.

1.4.5 The Diaspora Youth Participation will bring together 100 young individuals from the global Indian diaspora, including participants from the Know India Programme (KIP) and BIMSTEC

member countries, fostering international youth exchange and deeper engagement with India's development story.

1.5 Through these thematic tracks, VBYLD-2026 aims to unleash the power of youth as innovators, cultural ambassadors, policy contributors, and global change makers. The Ministry continues to work toward creating a united and empowered youth community, instrumental in realizing the vision of a Developed India by 2047.
